Content may be most important for:	**Attachments:**
➲ All Departments	(only on the Eurex website) 1. Eurex 8.0 Final Functional Release Notes 2. Eurex 8.0 Final Technical Release Notes 3. Member Front End Development Guide Release 8.0 – Programming Version – Volume 1 und Volume 2 4. VALUES API – Modification Notes 5. VALUES Header Packages für SUN/Solaris und Windows

In the course of the introduction of Eurex Release 8.0 above documents will be published on the Eurex website and available for download with immediate effect under the path:

www.eurexchange.com > Member Section > Software Releases Eurex > Eurex 8.0.

The documents replace any version which might have been distributed before.

As a complement to the Final Release Notes we provide as well for download the documents “VALUES API Member Front End Development Guide“ and “VALUES Header Packages“ for SUN/Solaris and Windows.

Furthermore, Eurex website contains from now on the updated version of the document “VALUES API Modification Notes – Programming Version“ originally published with Eurex circular 079/05.

Please note that production start of Eurex Release 8.0 is scheduled for **November 7, 2005**. Release simulation will be possible between September 5, 2005 and October 28, 2005. Detailed information on simulation will be distributed – according to the Information Calendar – on August 12, 2005 together with the document “Member Simulation Guide”.
