Simulation for Eurex Release 8.0 is scheduled from September 5, 2005 to October 28, 2005.

In order to support Eurex market participants in planning their simulation activities for Eurex Release 8.0, Eurex has now published the document “Member Simulation Guide Eurex Release 8.0”.

The document provides key information, planning considerations and guiding instructions regarding necessary members and vendors activities for successful simulation participation. In addition, the document contains the detailed Simulation Calendar which is also available on the Eurex website with immediate effect.

The above-mentioned documents have been posted in the Member Section of the Eurex website. For your personal download copies please visit our website under the following paths:
