New Simulation Calendar valid from May 16, 2005 to July 28, 2005

Dear All,

Please find the new Eurex Bonds Permanent Simulation calendar for the period from May 16, 2005 to July 28, 2005.

Two additional weeks of testing time including respective focus days will be provided for the FI CCP Simulation until May 27, 2005. The FI CCP simulation is followed by the Eurex Bonds Permanent Simulation that will be available on a continuous basis, including weekends. Two batch runs are planned each week, in principle on Mondays and Thursdays. On batch days, the Permanent Simulation environment is only available for a reduced period. Please notice that due to the batch runs rules given above, there can be differences between calendar dates and simulated business dates.

Should you have any further questions, please do not hesitate to call the Eurex Bonds Info line at +49 (0) 69 – 211 – 11222.

Kind regards

Eurex Bonds
