➲ All Departments	

Summary:

After close of trading on Friday, November 15, 2002 Eurex will transmit Release 6.0 Production Update Kit 2, as well as Eurex Release 6.0 Simulation Update Kit 3. This will bring the Simulation and Production environments up to an identical software level.

System administrators must prepare for the transmission by ensuring that sufficient storage capacity is available in both the Production and Simulation environment, and that each environment is connected to the Eurex network after 21:00 CET on Friday November 15, 2002.

The Update Kits for Eurex 6.0 Production and Simulation include functional and technical enhancements. It is strongly recommended that both the Production and Simulation Update Kits are installed.

Distribution of Eurex Release 6.0 Production Update Kit 2 and Release 6.0 Simulation Update Kit 3

After close of trading on Friday, November 15, 2002 Eurex will transmit Release 6.0 Production Update Kit 2, as well as Eurex Release 6.0 Simulation Update Kit 3 to the Report MISSs of all Eurex Members/connected Vendors.

The Update Kits for Eurex 6.0 Production and Simulation include functional and technical enhancements**. It is strongly recommended that both the Production and Simulation Update Kits are installed.**

The Update kits should be installed on all MISSs and Workstations according to the Installation instructions in the 'Read-me' file which will be transferred with the software to the appropriate directory, as shown below:

Target Directories and Storage Capacity for Transfer of Production Update 2:

SUN Solaris (MISS):	/opt/gate/transferdir/release00/	36 MB (SUN) + 26 MB (W2K)
Windows 2000/XP (MISS):	<ftp-root directory>\release00\	36MB (SUN) + 26 MB (W2K)

Target Directories and Storage Capacity for Transfer of Simulation Update 3:

SUN Solaris (MISS):	/opt/gate/transferdir/release01/	37MB (SUN) + 27 MB (W2K)
Windows 2000/XP (MISS):	<ftp-root directory>\release01\	37MB (SUN) + 27 MB (W2K)

Please forward this circular to your system administrator so that the data files which are no longer required can be deleted before the software transfer (e.g. old software kits, Theoretical Price Files, Reports). Please also make sure that in both the Production and Simulation environments, are connected to the Eurex network after 21:00 CET on Friday November 15, 2002.

Please contact our Technical help-desk on Tel. +49 (0)69 2101-1200 if you have not received the software by Monday, November 18, 2002.

Additionally, from Monday, November 18, 2002 the software, including the @Eurex kit, will be available for download from our web-site "www.eurexchange.com" under the path 'info for members > Eurex software kits'.

Please contact the Eurex Functional Member Readiness team on + 49 (0)69 2101 1700 if you have any problems logging in to the member section of the web-site.
