Ü All Departments	List of data vendors

From **May 1, 2006** onwards Eurex will automatically distribute additional market depth information for all Dow Jones STOXX® 600 Sector Index Futures, Dow Jones EURO STOXX® Sector Index Futures as well as for futures on the OMXH25 Index (FFOX).

For these products the five best bid or ask prices respectively and volumes will be automatically updated and displayed on the Eurex GUI within the **Contract Overview** window for the front month and the following maturity.

With this step, automatically updated market depth information to a level of at least five will thus be provided for all equity index futures traded at Eurex.

Please find attached a list of data vendors which will distribute this information.
