For the introduction of Eurex Release 9.0 in production, which is scheduled to take place on **November 13, 2006**, above-mentioned documents are available for download with immediate effect on the Eurex website under the following path:

www.eurexchange.com > Member Section > Software Releases Eurex > Eurex 9.0

Circular 051/06 contained an overview of all technical and functional enhancements which will come into effect with Eurex Release 9.0. Also, you were informed about all changes in the infrastructure that will become necessary with the introduction of the new release.

As preliminary versions, above-mentioned documents contain more detailed information on the changes already announced. The final versions of the Functional and Technical Release Notes will be published at a later date.

The Management Boards of the Eurex Exchanges will decide on the introduction of the new features and the definition of the corresponding parameters in time. Further details will be given in coming Eurex circulars.

If you have any questions or request further information, please contact the Customer Support team at tel. +49-69-211-1 17 00 or fax +49-69-211-1 17 01.
