* The group ID as well as the cash market ID shall be assigned by the Eurex Exchanges according to the following table and shall, amongst others things, serve the purpose of determining a market place for the price of the share underlying the contract. If the reference market of the underlying share is changed within the Electronic Trading System of the Euronext Exchanges Euronext Brussels, Euronext Paris and Euronext Amsterdam, the Management Board of Eurex Deutschland and Eurex Zürich may change the cash market-ID for a contract and thus determine a relevant cash market other than the cash market determined upon the introduction of the contract.
