Xetra Release 10.1:
Checklist Production Set-up
Updated Simulation Calendar

Dear Sir or Madam,

As announced in Xetra Release 10.1 Communication Calendar and in conjunction with the introduction of Xetra Release 10.1 on October 19, 2009 and the new platform Xetra International Market on November 2, 2009, we have published today the "Checklist Production Set-up". In addition, we will provide you today with an updated version of the simulation calendar for Xetra International Market.

With the "Checklist Production Set-up" we offer you a summary of the necessary activities for the Xetra Release 10.1 production.

Aforementioned document has been published on the website of the Deutsche Börse Group www.deutsche-boerse.com. To download your personal copy, please visit:

Trading & Clearing > Members Only > Xetra/Floor > Xetra Information > Xetra Documentation > Xetra 10.1 > Functional

Furthermore, we would like to inform you that the simulation calendar for Xetra International Market has been updated. Please note that on October 23, 2009, an additional batch will be carried out - for termination of the release simulation. After this, the simulation environment for Xetra International Market will no longer be available. **User set-up** for production start on November 2, 2009 has to be finalized by **October 23, 2009, at the latest**. We will inform you about details and the availability of the Permanent Simulation for Xetra International Market in a separate circular.
