## 2.6 Default

(1) Default in delivery or payment shall be governed by the following procedure:

a) Default on the delivery day of the Front Leg:

In the event that a Clearing Member which is obligated to deliver fails to transfer the underlying securities on the delivery day of the Front Leg of the respective Eurex Repo Transaction and pursuant to the instructions of Eurex Clearing AG, Eurex Clearing AG shall be entitled and, on request of the Clearing Member which did not receive delivery in a timely manner, obligated to set the present business day, at the latest the delivery day of the Term Leg, as an advanced repurchase date of the Term Leg. As a consequence thereto, the mutual obligations arising out of the Eurex Repo Transaction which had originally been agreed upon, shall be offset against each other so that the parties, with the exception of the Repo interests agreed upon, do not owe each other any further payment or delivery. The payable Repo interests shall be calculated on the basis of the period of default, in each case for the period from the purchase date (inclusive) until the business day to which the Term Leg was advanced (exclusive).

At the same time, Eurex Clearing AG shall be entitled to set an earlier date as repurchase date for the Term Leg of the equivalent Eurex Repo Transaction concerned between Eurex Clearing AG and the Clearing Member which did not receive delivery from Eurex Clearing AG in a timely manner; the legal consequence thereof will be the same as described above. In connection with the delivery of GC Pooling Repo transactions the procedure pursuant to Clause 1 to 4 shall apply, if the Clearing Member obliged to deliver shall not dispose of the necessary bulk of securities, which are admissible for the delivery in the respective basket and the underlying currency, on delivery day in its collateral pool. Eurex Clearing AG shall be, if necessary, informed of this matter by CBF.

If, as opposed to the provisions in Chapter IV Number 2.2 Paragraph 2 d), a Clearing Member does not comply with its obligation to perform during SDS1, it may – irrespective of the above provision – be in intraday default. To the extent a Clearing Member is in intraday default, Eurex Clearing AG may charge an expense allowance of EUR 2,000.00 for each defaulting GC Pooling Repo Transaction to cover its operative additional expenditure. Furthermore, Eurex Clearing AG shall be entitled to invoice the Clearing Member – until such point in time on which the obligation to perform is fulfilled – for any interim financing costs incurred, up to the value of the GC Pooling Overnight Index („GCPION“) published by Bloomberg or Reuters plus 50 basis points p.a., in relation to the value of the underlying GC Pooling Transaction or the due cash amount respectively.

b) Default on the delivery day of the Term Leg

In the event that a Clearing Member which is obligated to deliver fails to deliver the underlying securities on the delivery day of the Term Leg of the respective Eurex Repo Transaction and pursuant to the instructions of Eurex Clearing AG, Eurex Clearing AG shall be entitled and, on request of the Clearing Member which did not receive delivery in a timely manner, obligated to make a replacement purchase with respect to the undelivered securities as from the fifth day following the delivery date of the Term Leg and to deliver these to the Clearing Member which did not receive delivery in a timely manner. Eurex Clearing AG may determine at its complete discretion how replacement purchases of securities are to be made and up to which maximum purchase price such securities may be purchased. In connection with any default in effecting performance with regard to GC Pooling Repo Transactions, the provisions of Chapter IV Number 2.6 Paragraph 1 a) shall apply accordingly, taking

into account that an executed Buy-In according to Chapter IV Number 2.6 Paragraph 1 b) Sentence 1 shall be considered equivalent to reaching the point in time on which performance is effected.

- (2) Measures set forth in Paragraph 1 shall be binding on and accepted by the Clearing Member which did not receive delivery in a timely manner.
- (3) Any costs arising from the measures taken in accordance with Paragraph 1 must be paid by the defaulting Clearing Member.
- (4) The right to claim further damages shall be excluded for Eurex Clearing AG as well as for the Clearing Member which did not receive delivery in a timely manner.
- (5) Furthermore, Chapter I Number 7.1 respectively 7.2 shall apply for delay or technical delay, however, in the case of an intraday default with regard to a GC Pooling Repo Transaction, the provision in Chapter I Number 7.1 Paragraphs 4 and 5 shall apply no sooner than on the day following the agreed delivery day, to the extent the case at issue is not a case of Chapter I Number 2.4 Paragraph 2 c) or d).
