Central Counterparty – CCP January 16, 2002
Updated Internet Pages

Dear Sir or Madam,

After the concept for the introduction of an Equity Central Counterparty at the Frankfurt Stock Exchange had been finalized, the Exchange Council decided in favour of the introduction.

We are therefore pleased to present to you today an updated version of the CCP Internet pages, an established platform for CCP information and communication.

At http://www.xetra.de, access to the closed user group Members Only / CCP was enabled for you.

The passwords for access authorization are:
login: ccp
password: go

The Internet pages contain an updated presentation of functionalities as well as frequently asked questions and answers regarding the CCP.

In the ‚documentation' area, you have access to all previously published documents and circulars.

The 'contact' page gives you the opportunity to send us your questions or comments, which will be forwarded as soon as possible to a contact person and answered competently.

General Managers:
Edward Backes
Dr. Heiko Beck
Rudolf Ferscha
Frank Gerstenschläger
