**Xetra Release 8.0**
**Security Administration Manual, Common Front End Technical Overview, Common Front End Network Setup**

Dear Sir or Madam,

With this circular we are providing the following further documents for the introduction of Xetra Release 8.0 scheduled for April 23, 2007:

- Security Administration Manual
- Common Front End Technical Overview
- Common Front End Network Setup

The "*Security Administration Manual"* gives an overview of the Xetra authorization concept and serves as a guideline for Xetra Security Administrators in order to assign and administrate access rights.

The document *"Common Front End Technical Overview"* offers a general survey of the software architecture and the supporting network of the Xetra system.

The *"Common Front End Network Setup"* documentation describes in detail the default set-up of the member front end network for usage of the exchange software.
