➲ Middle + Back Office	

During the CCP introduction phase, the CCP web pages have proven to be a reliable information channel. Circulars, documents and software kits have been available to the participants of the Frankfurt Stock Exchange in the restricted 'Members Only' section on www.xetra.de, under the link 'CCP'.

As the project phase has come to an end, information published on the CCP web pages was relocated. Information relevant for clearing and settlement is now available on the web pages of the Eurex Clearinghouse under

www.eurexchange.com > clearing & settlement

and

www.eurexchange.com > member section.

The Internet page 'Clearing & Settlement', to which access is not restricted, provides information about the Eurex Clearing AG membership and also covers functional and technical aspects of the clearing process.

The password-protected 'Member Section' is available, among others, to all Clearing Members. Here, the complete CCP documentation including circulars, manuals and application forms, as well as software kits, is available.

As a Clearing Member holding an Equity Clearing License, you are entitled to access the 'Member Section'. In case you do not yet have the necessary password, please send your application to customer.support@eurexchange.com.

Should you need support in using the new navigation structure, please do not hesitate to call the Customer Support help-desk at +49-69-211-1 17 00.
