On **November 28, 2011**, production start of Xetra® Release 12.0 will take place.

Up until now, all Trading Members of Eurex Bonds have been able to quote all instruments on Eurex Bonds assigned to them, independent from the Designated Sponsor authorization by the Member Supervisor.

With Xetra Release 12.0, it will be necessary that the Member Supervisors explicitly authorize those users who enter quotes on Eurex Bonds.

Authorization is given in the following way:

- Log in via the J-Trader GUI as Member Supervisor on Eurex Bonds
- Select window “Settings” > “User Overview” (see figure 1 in the attachment)
- Select the user IDs you wish to authorize
- Set authorization by checking the box “Designated Sponsor” in window “User Maintenance” (see figure 2 in the attachment)

Authorization becomes effective immediately without batch run.

If you have any questions, please do not hesitate to call Eurex Bonds Customer Support on tel. +49-69-211-1 12 22 or send an e-mail to info@eurex-bonds.com.
