Eurex Bonds will introduce full system support for Inflation-linked bonds on **September 11, 2006**. The trade confirmation provided by the Xetra trading system and the CCP clearing system will then automatically take the Indexation Coefficient into consideration.

Please find the trading schedule (all times are CET) for linkers on Eurex Bonds as of September 11, 2006:

Please be advised that the first German Government Linker (DE0001030500, BUNDLINK 15.04.2016 1.5%) is already listed on the Eurex Bonds platform.
