Summary:

Effective **May 23, 2011**, the Electronic eXchange Admission Service (eXAS), available in the closed Member Section, will be extended to include electronic administration of Eurex Bonds user IDs.

By means of this service, Members will in future be able to apply for registration, change and de-registration of Eurex Bonds user IDs. All persons involved in the process will receive status updates by e-mail. Through eXAS, these processes are considerably simplified and accelerated.

Please contact Clearing Data Control on tel. +49-69-211-1 24 53 or by e-mail to clearingdata@deutsche-boerse.com for any questions you may have.

eXAS: Introduction of Electronic eXchange Admission Service for Eurex Bonds

Since December 15, 2008, Deutsche Börse Group has offered the Electronic eXchange Admission Service (eXAS) in the closed Eurex/Xetra Member Section. Effective May 23, 2011, this service will be extended to include electronic maintenance of Eurex Bonds user IDs. By means of this service, Members will in future be able to apply for and process registration, change and de-registration of user IDs. All persons involved in the process will receive status updates by e-mail. Through eXAS, these processes are considerably simplified and accelerated.

Via eXAS, the User ID Maintainer gains an overview of all user IDs with corresponding user names set up for his company. Moreover, he can apply for set-up or deletion of user IDs electronically and have existing user IDs modified or deleted.

As of May 23, 2011, a user manual for User ID Maintenance will be available in the Member Section under eXAS – User ID Maintenance – User Manuals.

Important information for usage

In order to use eXAS, access to the Eurex/Xetra Member Section through a personal login (user name and password) and separate rights for each of the services offered are required. Those who do not yet have a personal login should contact their company's Central Coordinator (CC). The CC will provide them with their company's Member ID. By means of this Member ID they can register their personal login online under:

https://business.eurexchange.com/irj/portal/

Individuals who have the right to assign new user IDs or modify or delete existing ones for a Eurex Bonds Member are called **Eurex Bonds User ID Maintainers.** They are appointed by the Eurex Bonds CC. A registered Eurex Bonds CC is automatically also set up as Eurex Bonds User ID Maintainer and can designate further individuals for this role in the Member Section.

In the Member Section under Service Point > Web User Administration, the Eurex Bonds CC of the Eurex Bonds Member can assign rights of the Eurex Bonds User ID Maintainer online. Alternatively, a registered user can apply for them and the Eurex Bonds CC can subsequently approve them.

Contact

For questions about Web User Administration in the Member Section, please contact the Service Point team on tel. +49-69-211-1 78 88 or send an e-mail to servicepoint@eurexchange.com.

If you have inquiries about User ID Maintenance, please contact the Clearing Data Control team on tel. +49-69-211-1 24 53 or e-mail: clearingdata@deutsche-boerse.com.
