Correction to the Maturity Date of March 2000 SMI Futures, as Transmitted over the BOF and MEMPI Interfaces.

Dear Sir or Madam,

We would like to draw your attention to the fact that the maturity date of the March 2000 SMI Futures as transmitted over the BOF and MEMPI interfaces is incorrect. The date distributed was 16th March 2000, while the correct date is **17th March 2000**. In principle, the third Friday of the delivery month is always the last trading day and final settlement day for SMI Futures.

Please forward this information to the relevant departments in your institution, in particular to your back-office, so that the corresponding data can be corrected.

If you have any questions, our Index Products Help-desk on Tel. +49 (0)69-2101-1220, or our Clearing Help-desk on Tel. +49 (0)69 2101-1250, will be pleased to assist you.

Yours sincerely,

Andreas Preuß
