➲ Front Office / Trading ➲ Middle + Back Office ➲ Auditing / Security Coordination	

At the Preussag Annual General Meeting on 26 June, 2002, shareholders adopted a resolution to change the company name to TUI AG. Following approval by the meeting, the company's exchange code will be modified on 2 July, 2002.

As a consequence of the code change referred to above, the Eurex code for Preussag options will also be changed.

The modification at Eurex will be made automatically during the last batch run before the code change, such that the Eurex code associated with Preussag options will be changed from PRS to TUI in the batch run of 1 July, 2002. No associated back-office messages will be transmitted.

Members should note that in both the Trading GUI and the Clearing GUI individual usage of 'PRS' (e.g. in profiles, limit quantity configuration, net position configuration) will not be changed automatically.

The WKN and ISIN codes, will remain unchanged. Exercise prices, contract sizes and the version number of the current options will also be unchanged.

No orders or quotes will be deleted during the overnight batch of 1 July, 2002.
