Publication of Turnover Figures

Dear All,

Eurex Bonds management concluded the publication of trading volume figures with the beginning of the year 2003. This decision implies the following implementation steps:

- Integration of the Eurex Bonds trading volume figures into the monthly press release of Eurex Frankfurt AG starting January 2003

- Publication of the monthly turnover development in all Eurex Bonds market segments on the Eurex Bonds' home page in the new area "**Market Data / Statistics**".
  This new service is available from now on, please follow the link:
  http://www.eurex-bonds.com/index.html?4&2&public/marketdata_statistics_en.html

- Integration of the trading volume figures into the real-time CEF price feed of DBAG to information data vendors (e.g. Bloomberg, Reuters among others) starting April 2003

Should you have any further questions, please do not hesitate to call the Eurex Bonds Info line at +49 (0) 69 – 2101 – 1222.
