The publication of the Simulation version of the Eurex Release 5.0 Member Manuals has started. They can be found on our web-site 'eurexchange.com' under 'info for members > manuals > Release 5.0'. Currently the manuals published are as follows:

- Front End Installation Guide
- Front End Operations Guide
- Common Front End Sizing Guidelines
- GATE 3.0 Installation Guide
- GATE 3.0 Operations Guide
- @X-ceed Eurex Trading User Guide

Further manuals will be published on the web-site in the coming days.

Please note that the Sizing Guidelines document is an updated version of the one distributed with Eurex Circular 086/01, containing modifications relating to Xetra Release 6.5.

The @Eurex simulation software kit for Release 5.0 will also be available shortly on the web-site under 'info for members > @Eurex > Release 5.0'.

Please also note that the OTC Volatility Trade Entry function described in section 2.1 of the Release 5.0 Functional Release Notes will not be available in the initial version of the simulation software released on 08 October, 2001.
