Xetra Release 9.0
Customer Roadmap, Connection & Migration Concept

Dear Sir or Madam,

We have published today below documentation with regard to the introduction of Xetra Release 9.0 on April 28, 2008:

- Customer Roadmap
- Connection & Migration Concept

The *"Customer Roadmap"* gives an overview of the planned introduction of Xetra Release 9.0 and informs about activities to be carried out at the members' sites.

The "*Connection & Migration Concept*" provides information about adjustments to be made by the members in conjunction with the migration of trading in structured products to the new platform Xetra Frankfurt 2. Moreover, it provides special information for members in the roles of Specialist, Issuer or Order Flow Provider.

Furthermore, German versions of the documents *"Market Model Structured Products"* and *"Functional Description"* have been published.

Aforementioned documents are available for download in the Xetra/Floor Members Only area on the Deutsche Börse Group website www.deutsche-boerse.com under the path
