➲ IT / System Administration	Screenshot of "Eurex Bonds Technical Services" Eurex Bonds Central Coordinator Form

Starting 4 June 2007 Eurex Bonds offers its customers a new web-interface for technical services. The "Eurex Bonds Technical Services" will provide the following information concerning your Eurex Bonds infrastructure:

- **Connection Monitor**:
  information about the status of your Eurex Bonds MISS (e.g. Connection Status, Subscription of Broadcast Streams, Logical Device ID plus Communication Server ID
- **Member Roundtrip Statistics**
  provides an opportunity to check and compare processing times of your Eurex Bonds order and quote transactions
- **Member Configuration**
- **Batch Status**
- **Production Back End Status**

The new area "Technical Services" can be found on the Eurex Bonds website under:

www.eurex-bonds.com > *Services* > *Technical Services*

For quick access please follow the link:

https://www2.deutsche-boerse.com/INTERNET/XETRA/x4_xmi.nsf/conmon/eurexbondsServices?OpenDocument

The new service can be accessed using the Eurex Bonds Central Coordinator's log-in and password.

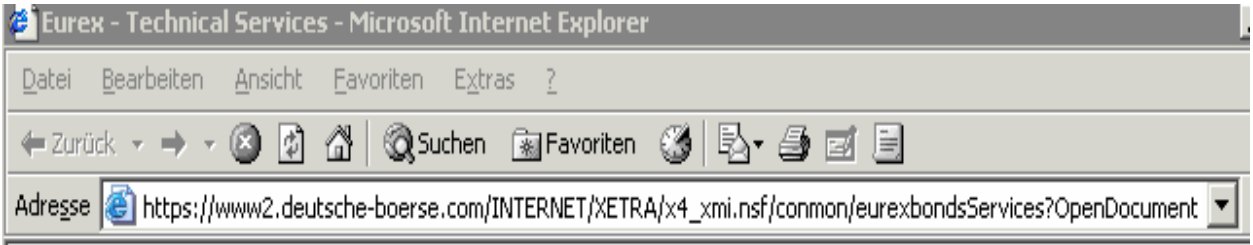

Please use the attached form to name a Central Coordinator for Eurex Bonds and to receive a User ID and password.
