Content may be most important for:

- Front Office / Trading
- IT / System Administration

Eurex Bonds will harmonize the tick size rules for cash bonds. For all maturities a tick size of 0.001 will be applied. Simulation has already started; production launch is planned for end of March.

Current Tick Sizes	Current range	Future Tick Size
0.001	< 2 years	0.001
0.005	2 – 7 years	0.001
0.01	> 7 years	0.001

Market Making parameters remain unchanged.

Please take the chance to test your in-house or third-party applications in the simulation environment.
