Within the framework of harmonizing the trading hours for French stock options at Eurex with those of the trading hours for the French cash market (Euronext Paris), the Management Boards of the Eurex Exchanges have made the decision that the trading hours for French stock options, including LEPOs, will be extended by half an hour (from 09:30 – 17:30 CET to 09:00 – 17:30 CET).

Therefore, with effect from 20 August, 2001 the trading phases for French stock options and LEPOs at Eurex will be as shown in the table below.

Pre-Trading	Trading	Post Trading Full	Exercise until
07:30 – 09:00 CET	09:00 – 17:30 CET	17:30 – 18:30 CET	18:30 CET

The transaction limits for the products concerned will remain unchanged.
