Eurex Clearing will provide clearing services for this contract. Further information regarding the operation, purpose, and effect of the proposed amendments is discussed in Attachment A.

Eurex Clearing has identified the following DCO Core Principle as potentially being relevant to the above amendments:

1. **DCO Core Principle C (Participant and Product Eligibility):** The proposed amendments will comply with DCO Core Principle C because the amendments list a new contract, which Eurex Clearing clears outside the scope of its DCO license, and all products cleared by Eurex Clearing under its DCO license will continue to be subject to appropriate standards in compliance with this Core Principle.
