1.11 Extraordinary Events, Disruption in orderly exchange trading

- (1) In case of extraordinary events as specified in paragraph (2) below, Eurex Clearing AG shall, without any obligation to do so and in addition to any other rights Eurex Clearing AG may have, be entitled to
- (i) terminate affected Futures Contracts and/or Options Contracts early and process an early settlement of the affected contracts,
 - (ii) postpone the expiry date of affected Futures Contracts and/or Options Contracts,
 - (iii) for Futures Contracts and/or Options Contracts with physical delivery, exclude the physical delivery of the affected affected Futures Contracts and/or Options Contracts and instead cash settle the affected contracts,
 - (iv) for Futures Contracts and/or Options Contracts denominated in any currency other than Euro, adjust the currency of the affected contracts to Euro,
 - (v) suspend the clearing of new affected Futures Contracts and/or Options Contracts,
 - (vi) require Clearing Members to close any positions they may clear in affected Futures Contracts and/or Options Contracts and/or
 - (vii) take any other measures and/or make any binding determinations within its reasonable discretion that may be necessary or expedient in connection with the aforementioned measures.
- (2) Extraordinary events pursuant to paragraph (1) above shall comprise, the occurrence of circumstances that are beyond Eurex Clearing AG's reasonable control and that have a material adverse impact on the orderly clearing of Futures Contracts and/or Options Contracts at Eurex Clearing AG, in particular but not limited to the risk managment and/or , the fulfilment of any obligations under any affected contracts or technical availability of the System of Eurex Clearing AG. Such circumstances may result from, without limitation, natural disaster, riots, insurrection,

embargos, fire, flood, explosion, war, terrorism, pandemics, sanctions, cyber attacks, closing of reference markets, actions of a government of any nation, state or territory or any governmental entity, agency or authority, actions of the EU or any international organisations, or any institution or agency or any other event.

(3) Any decision by Eurex Clearing AG to exercise any of the rights pursuant to paragraph (1), shall be based on risk considerations, taken with a view to maintain or reinstate an orderly clearing and shall be non-discriminatory. Before taking any action pursuant to Paragraph (1), Eurex Clearing AG shall

(i) if reasonable in the circumstances considering the nature of the relevant circumstances, consult with the relevant Clearing Member(s) to find a mutual solution with respect to the relevant circumstances, and

(ii) use best efforts to exercise its rights under Paragraph (1) in a way which is proportionate (*verhältnismäßig*) taking into account the interests of the relevant Clearing Member(s). Where alternative measures are available to Eurex Clearing AG that are appear equally effective and that have a foreseeable lesser negative impact on Clearing Members, Eurex Clearing AG shall apply those alternative measures instead.

Prior to exercising these rights, Eurex Clearing AG shall attempt to consult and align with Eurex Exchange on any measures that Eurex Exchange may take (if any) to address the extraordinary events and the effects the exercise of the rights by Eurex Clearing AG may have on the trading of the affected Futures Contracts and/or Options Contracts at Eurex Exchange.

(4) Where Eurex Exchange makes any determinations with respect to any Futures Contracts or Options Contracts in particular on the basis of any provisions in the Eurex Exchange Rules, Eurex Trading Conditions and/or the Eurex Contract Specifications relating to disrupted market conditions or any other disruption in orderly exchange trading, Eurex Clearing AG shall, save in case of obvious errors, be entitled to rely on such determinations and apply them in the Clearing of the respective Futures Contracts and/or Options Contracts without any liability for any of the effects such determinations may have on the Futures Contracts and/or Options Contracts.
