* The group ID as well as the cash market ID shall be assigned by Eurex Deutschland according to the following table and shall, amongst other things, serve the purpose of determining a market place for the price of the share underlying the contract. If the reference market of the underlying share is changed within the Electronic Trading System of the Euronext

Exchanges Euronext Brussels, Euronext Paris and Euronext Amsterdam, the Management Board of Eurex Deutschland may change the cash market-ID for a contract and thus determine a relevant cash market other than the cash market determined upon the introduction of the contract.

** GBX: Pence Sterling

*** This applies to transactions entered by QTPIP according to Section 4.6 (3) of the Conditions for Trading at Eurex Deutschland. The provisions for TES apply for transactions entered by STPIP according to Section 4.6 (2) of the Conditions for Trading at Eurex Deutschland.
